**SUMMER FUN...HERE I COME!**  
This summer I plan to  
play at the  
beach!

Mrs. Carlson  
**Who do you...**  
DIRECTIONS: NOW THAT YOU HAVE READ AND DRAWN BOTH SIDES OF THE STORY, TRY TO PICK A SIDE AND CHOOSE THE CHARACTER WHO YOU BELIEVE IS TELLING THE TRUTH, AND USE EVIDENCE FROM THE STORY TO SUPPORT THEIR POINT OF VIEW.

I agree with the Point of View of the three little pigs.

Evidence 1: <u>The wolf came to each pigs house and blew it down.</u>	Evidence 2: <u>All of the pigs built their houses with materials they bought.</u>	Evidence 3: <u>The wolf ate two of the pigs.</u>
---	---	--

Concluding Statement: I believe in the view point of the pigs.

**National Letter**

**ark**

A display board for National Letter writing. At the top, the words "National" and "Letter" are written in large, decorative letters. Below, there are two rows of writing samples. Each sample includes a small drawing and a paragraph of text. The drawings depict various scenes like a landscape, a person, and a rainbow.

A vibrant, cartoon-style illustration of a rural landscape. In the foreground, a woman wearing a wide-brimmed hat, a blue shirt, and orange overalls stands on a green hill, holding two yellow baskets. Next to her is a traditional stone well with a wooden frame and a pulley system. The background features rolling green hills, a cluster of dark green evergreen trees, and distant blue mountains under a bright blue sky with fluffy white clouds. A large, semi-transparent white box with a yellow border is overlaid on the right side of the image, containing the title text.
