Subject: Resignation from a board member  
To: Sara Fromm <[sfromm@strideacademy.org](mailto:sfromm@strideacademy.org)>

Greetings

I am writing to formally resign from my position as a Board member , effective 1/12/24 This decision did not come easily and required considerable deliberation. I have deeply valued the experiences and opportunities afforded to me through my service on the board. Working alongside my fellow board members and witnessing the Stride's growth and impact has been genuinely rewarding.

However, due to new personal and professional commitments that have recently emerged, I find myself unable to dedicate the necessary time and focus required for my role on the board. After much thought, I believe it is in the best interest of both myself and the School as well that I step down, allowing someone with the available time and energy to take on this important role.

I am committed to ensuring a smooth transition and am willing to assist in any way possible during this period. I am also more than willing to provide any insights or assistance that might be helpful to my successor. Furthermore, I remain a steadfast supporter of Stride academy and am keen to contribute in other, less time-intensive ways in the future, should the opportunity arise.

Please accept my deepest gratitude for the opportunity to serve on the board of Stride academy. It has been a privilege to be part of such a dedicated team and to contribute to the Stride academy's mission. I look forward to seeing the continued success of the organization and am confident in its future achievements.

Thank you once again for your understanding and support regarding my decision. Please feel free to reach out if there are specific matters or outstanding issues that require my attention before my departure.

Sincerely,

Hassan Shuriye
