Dear Director Skanson,

Please accept this letter as my formal resignation from my position as Science and Math Teacher at Stride Academy effective August 3, 2022 (fourteen school days from today's date).

I appreciate the opportunities for growth and development the school has provided during my tenure.

Please let me know how I can be of help during the transition period. I wish you and the school the very best going forward.

Sincerely,

A handwritten signature in cursive script that reads "Jennifer Marshall".
